

Secondary Dress Code

Students are expected to comply with the dress code and parents are expected to monitor compliance before their children leave home. **Final authority regarding dress code interpretation rests with the administration and is not subject to appeal.**

Our ultimate goal is to focus on the heart of our students. To maintain a biblical emphasis and create an orderly learning environment, a student dress code has been established. It has three guiding principles: safety, modesty, and appropriateness for the event. Within these guiding principles, our dress code encourages students to show their originality and express who they are within the dress code guidelines.

Parents will be notified of dress code infractions and asked to bring dress code compliant attire for their student(s); if proper attire can't be brought the student will immediately be assigned detention. If clothing can be brought, after five infractions the student will serve a detention. Please partner with us by reviewing your student's dress before he/she leaves home.

OCA Student at Games

- All OCA students should be dressed appropriately and modestly for all events (no rips, tears, or holes). Shorts should be PE length, and tops should be school approved.

Athletes on Game Days

- Team shirts, polos or team jerseys w/ appropriate under/outerwear may be worn on game days.
- Uniform style pants must be worn with team shirt/jersey/polo on Monday, Tuesday, and Wednesday game days.
- Jeans (straight-leg or boot-cut style) may be worn w/ team shirt/jersey/polo on Thursday and Friday game days.
- Student athletes must wear a shirt at all times when on campus; there are no exceptions.

Dressing out for P.E.

- School approved physical education uniforms are permitted to be worn during PE only.
- PE uniforms may be purchased through an online portal contracted by OCA.

Clothing with logos or slogans that push the envelope or are questionable are NOT permitted.

Unfortunately, many brand names come up with slogans that push the envelope of appropriateness (such as a hunting clothing line with the slogan "Bucked Up" on it as an example). These items are not permitted to be worn at school. If you are unsure of the appropriateness, please discuss this with the secondary principal prior to wearing the shirt in question.

Please see chart on page 2.
