## ***From Head of School, Jenny Addison***

To the Class of 2020,  
I read this online and thought it was very appropriate and fitting.

"You were born when the world was grieving over 9/11.  
And you are graduating as the world grieves a pandemic.  
Although your two biggest launches into freedom (birth and graduation) have taken place in the midst of tragedies...  
Just know that the world is an amazing, loving, and beautiful place.

And it is waiting for you with open arms.  
We grieve with you that your senior year is ending this way.

But we can't wait to see how you overcome and soar.  
You were made for this."

Love,  
Ms. Addison
