## *From Head of School, Jenny Barton*

The Class of 2021 has been a pleasure to instruct and challenge. This senior class has exemplified unity, commitment and camaraderie. I will miss this class and look forward to seeing their impact on the world for Christ. The class of 2021 is very unique, diverse and capable of accomplishing great things. We have some entering right into the work force, some going to technical college and some heading off for university. This class is ready to launch and I could not be more proud of them. I had the opportunity and privilege to spend a week with most of them on their senior trip and was honored to introduce myself as their principal as we traveled to Gatlinburg and back and people wondered why I had so many kids. Senior parents, you have done a stellar job and OCA has been honored to partner with you in the education of your most precious children. Thank you for trusting and partnering with Oasis. You will all be missed greatly. Class of 2021, go forth, serve and make a difference for Christ in our world!

Love,  
Ms. Barton
