

OASIS ORACLE

Furnishing Instruction | Cultivating Hearts | Impacting the World

Staff of the Quarter

Our Staff of the Quarter for 4th Quarter is Sharleen Giles.

Teachers of the Month

Our Teacher of the Month for April was Melissa Carr.

Our Teacher of the Month for May is Jasmine Neil.

Head of School, Jenny Barton

Happy Summer OCA Families,

I am praying that we all have a safe and fun summer. The last year and a half has been very unusual at best and stressful at worst. What we have known as normal is constantly changing and has been very hard on all of us and especially our kids. We will not know for years, the full effect that COVID-19 has had on our kids. We know that there has been a learning loss due to the way we ended last year and the times we were innovative this year. This is a nationwide issue. Our curriculum coordinator, Melissa Carr put together summer learning packets for 2nd-11th grade. Our copier went down during the last week of school and some of the copies were not ready to go home the last day of school. 7th - 11th grade packets are ready for pick up. 2nd grade-6th grade brought their packet home the last day of school. All report cards are printed and ready for pick up as well. You may come and pick them up next week Tuesday through Thursday from

Early Education, Teresa Wilson

It is hard to believe that the school year is over. It is amazing to see how much students have learned and matured. I am excited to see what next year hold as they near the next step in their educational journey. The Bible tells us in Psalms 127:3 that "children are a gift from the Lord; they are a reward from Him" (NLT). I would just like to thank all of the preschool parents for sharing their precious gifts with us this year.

Athletics, Chad Moore

As the 2020-2021 school year comes to a close we had some awesome moments in athletics!

- The Baseball team posted its best record in school history! Next year our baseball team will be joining the Sunshine State Athletic Conference for baseball and Coach Ayala is looking forward to seeing our boys compete for the SSAC title!
- The Track and Field season saw our Boys 100m record get broken by Micheal Rodriguez!
- The Varsity Boys Basketball team made it to the Championship round of their SSAC bracket and Petey D'Alessandro led the state of Florida in Steal Per Game!
- Our football team made it to the 1A 8-man playoffs, Robbie Kennon was named 2nd team All-SSAC Tight End, and Coach Moore won 1A Coach of the Year!

We have been truly blessed with all of the great athletes and coaches here at OCA. We look forward to the future of OCA athletics and look to build on our accomplishments from this year!

9:00-1:00. Please email Mrs. Muniz at wmuniz@ocalions.org if you are unable to come and pick up your packet or report card.

Take some time this summer to simply enjoy your children and make memories together. Set aside a little time each day to work on the learning packets and read, read, read. Visit the library and find books together that your kids will enjoy reading. Every elementary and middle school student has a login to Moby Max. This is a wonderful online program purchased by OCA to help your children stay on track. If your child does not remember their login information, please email their teacher or Mrs. Cara Gall and they will be happy to send you the login information.

Thank you for a good year at Oasis and happy summer!

-Blessings,

Ms. Barton

Elem/MS Dean of Students, Tawn Jones

It's hard to believe that our school year is over! This year has been both difficult and rewarding. I've seen many students and teachers work hard to overcome hardships, and we have come together as a school in such a remarkable way! I'm so proud of all of us - parents, teachers, and students - for putting in the hard work to make this year so successful.

As we move into summer and a lot more free time, I'd like to encourage you to find activities that you and your child can be involved in - away from phones and computer screens. Kids LOVE to spend time with you - and would really enjoy card games like Uno or Phase 10, board games like Monopoly or Clue, puzzles, arts and crafts, scavenger hunts, camping in the backyard, water games, and so much more!

It is my prayer that you and your family have a safe and happy summer.

Philippians 1: 3-4 "I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy."

-Blessings,

Ms. Jones

HS Principal, Teresa Paton

The high school campus, as we knew it, is no longer. . . We have moved everything out of the building and unloaded it at the elementary/middle school campus. The high school faculty and students worked really hard to accomplish this task so quickly. Special thanks to Mr. Moore and Mr. Harmon for heading up this effort and anyone who helped!

All of the teachers, Ms. Muniz, and Dr. P pray you have a great summer. Don't forget to rest, have some fun, stay safe, do a little studying, come back ready to work, and be a blessing to someone you know. Looking forward to hearing great things!

-Blessings,
Dr. P
